A service charge of \$35.00 shall be assessed against any person who:

- a. pays the city with a check, draft, or money order which is returned unpaid for lack of sufficient funds or closed or nonexistent account or,
- b. pays with a credit card for which payment is not honored by the credit card company.

The customer against whom the check or credit card payment has been returned shall be mailed a notice requiring payment of the check or returned credit card payment and service charge within five (5) business days from the date of the sending of the notice. If such payment is not made in cash or with certified funds within such time, water service shall be discontinued and not be reconnected until the City receives payment of the original check or credit card payment, service charge and a \$50.00 reconnection fee. If any customer’s checks are returned twice within any six (6) calendar months, all future payments must be in cash or certified funds; provided, however, the City office staff may waive this provision and the returned check charge upon presentation of a letter from the bank or credit card company upon which the payment was drawn, acknowledging an error in return of such check or credit card payment.

14.00 Meter Reread

A charge of fifteen (\$15.00) shall be made for rereading meters upon request of the customer. This fee is refundable if the meter reading is found to be in error.

15.00 Meter Testing Deposit

a. Any customer demanding that a meter be tested for accuracy shall make a deposit with the City water and sewer department in the following amounts:

1. Twenty five dollars (\$25.00) for a 24 hour meter reread test

If the test shows that the meter is registering less water than is accurately used, the deposit shall become the property of the City.
